“ I would like to take this opportunity to say that we like everyone else that really knew Bob are going to miss him alot. Over the years we have had some good times and done some silly things but through it all we remained friends. When Bob met Connie he seemed as happy as we have ever seened him, we are going to miss them not coming to Joe's for the weekends this summer. To us, the good thing is they are together again. Friends forever, Charlie & Sharon
