“ So sorry to hear of Bob's death. Take heart in the thought that we at the lake remember him all of you often. We still tell stories how he meticulously he kept the lawn, how he watched me fall off the fence, and told of his years at the lake to those of us that were new. God bless you all.

“ So sorry to hear about Bob's passing. I was just thinking of him the other day, wondering how he was. Miss the days when he worked for the Edgewood PD with dad & the rest of the gang and we would all get together for cookouts and fun. Lori, how have you been? It's been ages since I've seen you. Feel free to contact me if you want to catch up.
