“ To my best friend, my brother. 9 Years ago I met a man. His name was Trent Norris. That man, over time became more than just a man to me. He became my best friend and brother. No one will ever replace you in my life. You have made me a better person and I thank you for it. You were to young to leave us. Your love for motorcycles, hotrods, coming over for dinner, watching UFC with Stacey and I will always be in our memories. Nothing will ever be the same without you. I will honor you in my life until we meet again someday. I know you are watching down from above over me. I now have a guarding angel. The best that God could ever give. I hope you know how much you are loved and will be missed. There will always be a place for you at my table. Your chair will always be waiting for you. I will see you again and we will ride like never before. So many memories we have together. I could go on and on. We all loved Trent. Goodbye my friend and brother. Until we meet again. I love you with all my heart and soul, Shane
