“ I knew Bob in his younger years. He and I were fellow trombone players in the Sullivan High School Band. Bob was very intelligent and we had a lot of good times. Although we lost track of each other I know he will be greatly missed.

“ Things I remember about Daddy... His talent for telling stories and jokes. His wisdom and guidance while I was growing up about life, family and religion. His sense of fairness in all things. His capacity for loving us when we were good and even more when we weren't. His seemingly unending fountain of knowledge. His beautiful voice. God Bless you and keep you in his loving arms until we meet again. #3 daughter
