February 19, 1969 - June 11, 2021

Robert "Bob" W. Snell, Jr., 52, of Anderson, passed away on June 11, 2021. He was born on February 19, 1969, in Seoul, South Korea, and resided most of his life in Anderson.

Bob graduated from Madison Heights High School in 1987.

He was preceded in death by his father, Robert W. Snell, Sr., and father-in-law, John Houts.

“ I've known Bob since we were the two fat kids in the same grade at Franklin Elementary! He first came to Anderson and we hit it off as buddies pretty much immediately. Through the years we shared a lot of happiness and sorrow and I really believe having each other to talk too got both of us through some of the toughest times in our lives. I have loved this guy like a brother since we were kids and it is heartbreaking to see him leave this Earth. God rest your soul Robert "Bob" Snell until we meet again brother!

“ Robert Snell was a resourceful, caring and helpful individual. On more than one occasion did he help me out in major ways. One moment I won't ever forget is the time he bought a truck from me. I had an old truck that (I had thought) died on me and I was looking to get rid of. He had a similar truck that had been out of commission so he took my truck off of my hands. Sure enough, with his expertise and know-how, he essentially turned the two trucks into one. It was incredible! I was able to help him out with having the truck, he was able to help me out by taking the truck, and he created. It's a running theme with Robert Snell, he created a lot of great things.

There was one time where I had been working on a creative project. Robert was able to assist with the project by providing me with... of all things... a coffin! I hope anyone who knew Robert finds humor in that. He was a darn good coffin maker and the coffin he was able to provide me was perfect for what I was looking for. Once again, Rober created some great things. And I benefitted from them.

But out of everything Robert created, he leaves his greatest creations behind. It's no secret that Robert created some incredible children. I, to this day, continue to benefit from their existence and would not be where I am today without them. They're forces of nature, strong-willed but persistent, and there's no doubt that they were his GREATEST creation.

So thank you, Robert Snell. Thank you for giving the world what you had, thank you for what you've created, thank you for bringing life into the world and as you leave this world, thank you for everything you've done. It will not be forgotten. I hope that you rest easy. I owe you a lot more than you'll ever know.

See you on the other side.

“ I Knew Robert in highschool. He was such a wild child. Full of fun, laughter, smiling and knew no stranger. We lived in the Acre about a block away from each other. Lost contact when I moved to Indianapolis but always had beautiful memories . We would hang out at Andy's house and play pool in the garage on summer nights. Danny , Dennis, Andy, Mark and a few other guys from the Acre would have a great time playing pool. I would be the only girl there. Andy would tell the guys to watch their mouth a lady was present. I liked that. Those days as a teenager was great and full of great memories. Robert will always have a special in my heart and a special place in my teen years.

“ When we were 13yrs old Robert took me to his neighbor's house on Burton Place. He knew I wanted a dog so badly and they had puppies!! There we found what would become my soul dog, Puff. He went with me to talk my mom into allowing me to have her but she said no. So... we made many plans to somehow get me that dog. His second attempt included taking Puff with us to convince her, which scared me to death! But of course it worked!

*Robert had such a kind heart. He was always willing to go the extra mile for you or a complete stranger. He will be greatly missed!!*

“ *Bob was always very helpful when Lyle and I needed it. Lyle had a stroke in 2006, and Bob went to Florida with us to help us move our furniture home. I never would have gotten it done without him. I got to know Bob much better during this trip; we had a great time that I will never forget. Fly high Bob, you will be missed*❤️
