“ *I will never forget the time that Bob and I took our boats to Cumberland. Just him and I each in our own boats. We were running down the main body of the lake and I looked over at his boat. He was sitting in the back of the boat having a cocktail while running. No one at the helm... You were like a brother to me. Lots and lots of fond memories !!!*

“ Bob,

*What can I say. You were a leader, a mentor, a peer and a friend.
One of the most sincere and genuine people I have been blessed to
come in contact with.*

*He had an uncanny way of always saying or doing the right thing. I
will miss you and am proud to call you my friend.*

*May the road rise to meet you,
may the wind be ever at your back.
May the sun shine warm upon your face,
and the rains fall soft upon your fields.
And until we meet again,
may God hold you in his hand.*

“ I am so very saddened for hearing of the loss
of Bob. I have had the privilege of knowing
and working with Bob and he truly was a
great and respected man. During my time
with BHC and working with Bob, he was
without a doubt one of the most dedicated individuals I have ever
known. His high standard of caring and representing our company
was at the highest level. I really got to know Bob as a person and
his sense of humor and work ethic was the best of the best.

*I will sincerely miss Bob, and the found memories I have of him will
always remain close in my heart. He and your family are in my
thoughts and prayers, and may the happy memories you hold dear
of Bob, help you through the difficult times.*

With sincere and deepest sympathy,

Respectfully, Jim and Barb Isaacson

“ *i remember when Bob first started with Automotive. he was always meticulous about loading his trailer and always had the other driver in mind. When he was asked to start in management he spoke to me about it and I knew he would be the kind of manager that would tow the line. I know he had a lot of trials out there but he always seemed to be the calming force coming from Indy. He is missed already...*
