“*My fondest memories are of Bobby messing around and making me laugh during drama club many, many years ago and the times we've spoken since. I am truly saddened that he won't make me laugh again. My tears join many others, and my deepest sympathies go to all of his family as you struggle to cope with not one but two losses that happened much too early. I wish you all peace now, and hope that joy will once again find its way into your lives.*
