“ Dear Family It is with great regret that have become aware of Bob's passing. I worked with Bob many years at OZA and TWA. He was always cheerful and smiling. It's sad news but you can be satisfied that He is at peace now and he will be there to greet us when our turn comes. John Turbe

“ I've been a friend of Bob's for over 45 years, from the time he worked for lake Central Airlines and TWA the first time. I bought my first airplane from him in 1965. We worked together at Ozark/TWA. We kept in touch by e-mails and phone calls. When I see Bob's address in my e-mail list it make my heart sad to think of him being gone. But I know he with the Lord now. Bob was a true gem of a man. With a heart of gold.

“ Bob was a dear friend & we will miss him greatly...We spoke with him at least once a week by phone and daily by e-mail...We have known him for nearly 40 years...It was a sad day for us when he moved from Missouri, but our loss was his family's gain...We will truly miss our long conversations with him and his wealth of knowledge we drew upon on a regular basis...We always had jokes for each other...The world will be a sadder place without him...
