“ Bob was one of the many boys in the neighborhood who ran races around the block with me. we also played hide n seek, kick the can in the street our play ground That was a very long time ago! When Dennis and I lived on Pershing Dr. in Edgewood, Bob came to our house to hook us up to city water .Our three sons were fascinated with the large back hoe and were at the window all day. Bob said we owed him baby sitting money, what a joker! Remembering all the good times. Our mother passed in February of this year so memories have help Sue, Max & myself . Hopefully these will be of some comfort to you.
