“ Roger and I used to run around together when we were teenagers, hadn't seen him for nearly 50 years until Don Heartmann passed away and he came to the funeral in New Castle. Would have loved to have had some time with him. His mon and Dad were good friends with my parents and they played music together. Loved Roger and sorry for the time we missed together. Prayer for his family as well.

“ To Helen, Connie, children and others:
Roger was our cousin and he will be sorely missed. We Morris girls have fond memories of days gone by when we would visit with the Miller kids in Kennard. Our mother was a sister to Uncle Roy and so we visited often. We were all just kids then but we had lots of fun when we would visit them or they would visit us.

Roger is gone but will never be forgotten. He really resembled his Dad and was like him in a lot of ways. We express our condolences today and hope that you all will be comforted in knowing that Roger's pain is no more.

“ Jama, Scott and Aiden:

I met Roger at your wedding and saw him again at Aiden's first Birthday. The love he had for Aiden was so evident. My heart breaks for all of you and I know you will continue to share memories of him with Aiden. May the happy memoires carry you through and bring smiles as well as tears in healing. There will always be a hole in your heart missing him but know he is always watching over all of you. Prayers, Hugs and Love
