“ I met Ron when I first hired in at Guide Lamp. I was 18 at the time and he was such a neat guy to be around. We've remained friends ever since. We had this thing we used to do every time we saw each other, it was kind of like a salute. We were actually making fun of a foreman that worked there. The funny thing is Ron and I were the only two that knew what we were doing. Good times and he is one person I'll never forget. The entire Rhea family is in our thoughts and prayers. Love ya Ronny!!!!!!
