“ *Dear Betty, and family, I was so sorry to hear about Rolland passing away. I hope you remember me, we used to come over to your house with other friends from the Union Hall to listen to the Indy 500 on the radio. I still remember it so well, mom and dad Jim and Boots were good friends to you and Rolland. I remember alot of good times at the Labor Day picnic too. God Bless you and your sons and their families. Rolland will be sadly missed!! My prayers are with you, you and Rolland were married a long time, that is great!!*

“ *Betty, we are sincerely sorry for your loss of Rolland. As you would know, he was an inspiration to us all at Delco Remy and gave of himself as long as he could. Later, he came to lead the citizens of Indiana as a representative. He has certainly left a legacy and he will always have a place in our hearts. We will always remember his warm smile and the hugs he gave out on rare occasions. We are honored to be counted among his friends. We are thinking of you and we love you. -Roy and Bessie*

“ Sometimes it is hard to find the right words to say, because Rolland meant so much to me. He was instrumental in making me the person I am today, and it started when I was a page for him during his tenure as our State Representative. I hold him very dear to my heart and I send you and your family my deepest sympathy and I will keep you in my prayers.
