“ After working and socializing with Ronnie for 22 years, I can honestly say I never met or spent time with anyone more funny or true blue as a friend. He'd give you the shirt off his back, and if you needed it a few bucks to go with it. This world is a little less enjoyable with him absent from it.

My love and sincere condolences to Anita and the kids.

Thank you Brian for your kind words. I am one of his granddaughters and I will ensure Grandma and everyone sees what you had to say. Thank you again and I am sorry for the loss of your friend; he was the best you could have ever asked for.

We lived next to Ron and Anita in the late 70's when Ron was doing wood working on projects that he sold in Metamora. My son bought a vehicle from Ron when he worked at Weidner. Always always a first class guy with never a bad bone and a great sense of humor. Very Sorry for your Loss Anita. Max Butcher
