“ *Pop loved to pull pranks on me, one of my favorites is when he had me go to a Napa and buy a water hydrater for the shower and I thought it was real until he told me to tell the clerk that it makes the water wetter... things won't ever be the same without him pulling his pranks on me! Love you pops*

“ *I always get a smile on my face when I let Ron ride my Harley for the first time. He decided it needed to run through a cornfield. His horrified look on his face makes me smile. I'm very thankful he didn't get hurt. I love you Ron, You'll be missed so very much but never forgotten!!!*
