“ I met Ron and Bonnie when they moved to Fenway Court and they immediately became a part of the Fenway Court family. The men met monthly for lunch and Ron was always a contributor to the fun. Ron was the only one I knew who ordered Dr. Pepper for lunch. I enjoyed getting his report when he returned from the Labor Day film festival in Canada.

*It was my good fortune to have known Ron and Bonnie.*

“ My dad use to work with Ron at Guide Lamp, he always spoke highly of him. Since mom passed away last year dad has been living with us, but he wanted to express his sympathy to the family, may God offer the comfort only he can give.

“ Erin, I tried to return your call last evening, but could not reach you. Thank you for letting Pete & me know of your dad's passing. He & Pete were good co-working buddies all those years @ Guide, and both he & your mom were counted among our close friends. I said last evening, "I wish I could hear his deep, great laugh one more time." We always enjoyed hearing about their travels and being updated about the grandchildren. We miss knowing about them even though they're all grown now. We know you, and all his family, will miss him greatly. Our sympathy & prayers are with you all. Since we are snowbirds & still in Florida, we regret that we cannot see you at his service on Thursday. Take good care. Sharon Spoo

“ So sorry to hear of Ron's passing. I worked with Ron for over 30 years at Guide--Ron was an excellent engineer and a great individual. Mary and I knew Ron and Bonnie starting in the early 1960's--Ron and I carpoled for a time. I know all the Guide Breakfast Group will miss Ron.
