“ Jim and Terri- I met Pippin when I needed a hairdresser but, truly, I found so much more. She was such a great friend and confidant. In fact, I still get a kick out of thinking about our road trip to the North Carolina Coast for Kathy Kemp's beach wedding myself, Nellie Grimes and Pippin. How many of her other clients can say they slept with her! Sitting in her big old chair and hashing over the ups and downs of life was even more wonderful than the total transformation her comb and scissors could give! You were both so lucky to have her in your daily lives. Remembering her sunny attitude and beautiful smile will surely carry you through your grief. Sincerely, Karen Updike
