My dearest friend Moesarie LOL as some people called her you have always been a good friend,always willing to help anyone in need.I cant believe your gone.I will forever remember when we was driving down broadway,when you first got your 1965 fastback,i found a blank cassette under the passenger seat , you told me to put it in & low and behold it was christmas music,nothing like playing that in the middle of summer.Or the night your carburator caught fire shortly after you had just got the car repainted & the paint was bubbling on the hood. You will forever be in my heart as well as my daily thoughts. Keep things at a low roar up in hot rod heaven.Until we meet again my dear friend Love You Dearly Shag. TWYLIA

Dear, dear Shaggy. How I miss you. You really pulled the ol' disappearing act on me this time. I pray your passing was of some peace and I pray that you have eternal rest in paradise and know the peace and joy that you always craved here while you were among us. I shall forever miss and love you, your Stevie
