“ I had the pleasure of meeting "Sunshine" Rosie through I.S.S. She was quite a lady! I enjoyed reading to her from the Bible we looked at books together, watched TV, and she would sing to me when I would put lotion on her feet. I remember all the wonderful stories she would tell me. Most of her talks would be about children, flowers, and the place and people where she had worked. I will remember her smiling face and the sounds of her laughter. My heart and prayers go out to the family. She will be missed! Thank you for letting me have the honor of meeting and spending time with her. Such a wonderful lady! Marilyn Mace
