“ *Ruby and her late husband, Bill, were a savior to us when the people backed out of the house we were purchasing. She and her husband sold us a house they had bought and fixed up on contract as we were two young kids not really ready for homeownership. Years later we bought it but it was really sad to give up our connection to these two wonderful people. They did a lot for our family. You and Bill were such a blessing. RIH, together, Ruby and Bill.*

“ *My thoughts and prayers from afar. I don't have a single memory of being around her that didn't have a story or a laugh (or several) connected to it. May she Rest in Peace, surrounded by God's Love, and her family with her in Heaven.*

“ *My Aunt Ruby has been important to me all of my life. Ruby took my mother and I in to live with her and Uncle Billy, when I was very young. I would awake early every morning with excitement to see her and to be with her alone while she fixed us breakfast. She continued to watch over me in many ways ever since. I have many many good memories of my Aunt Ruby that I am made richer for it. I have always felt pride that she was my aunt. I am left with sorrow by her passing, though I am filled with the hope of seeing her in the life to come. May Peace and the comforts of Heaven be hers.*

*Truly,
Todd Black*

“ I remember when you would dress up like an Indian Princess and ride your Appaloosa horse at the Indiana State Fair. It was always nice to see you at the Richard's Family Reunions. You'll be missed.
