“ You were always my "gentle giant" Uncle Russell! I have so many wonderful memories of visiting your homes in Anderson and Bradenton, of your love for animals and little kids; and most of all, your love for your family. Thank you so very much for your service to our country and sharing your love of home and family with the younger generations.

“ Sharon, Charles, Aaron and Bryan and family, Uncle Russell was my most favorite and fun uncle and I will miss him deeply. One of my best childhood memories is that when Aunt Kakie and Uncle Russell came to visit, we had evening walks, and he was SO big to me that my arm was straight up in the air to hold his hand. On those visits he never missed taking me to the dime store to get a new purse! I couldn't wait for them to both come and visit. I am glad that he is now with Aunt Kakie, and I am sure heaven has an AmVets that is a much happier place with them together! Love you Uncle Russell.

“ To Russells Family: I have many fond and happy memories of Russ from the time when I was young and throughout the years to this day. What will stay with me happened this past July when Jim and I were up there. We went to the hospital with Sharon and Charles to see Russ. He had asked us to bring him a Bacon, lettuce and tomato sandwich. I've never seen anybody enjoy anything as much as he enjoyed that sandwich. He unwrapped that sandwich and didn't utter one word, then he picked the crumbs off the wrapping. We asked him if he liked it and he looked at us, grinned and said: " the only thing that could be any better is if you had brought me two." So Russ I love you and I'll miss you, and you'll always be in my heart, Signed Vesta Lou .
