“ I have a lot of nice memories of Russ from running into him when I was a kid meeting my dad at Anaconda to buying my first couple of cars from him. My best memory, however, is the time he invited my dad and me to go to an Indians game at I think Lafayette. Well, it turned out that it wasn't just Russ & dad and me but Russ, my dad, me, Russ's son Dave and Fred Pike and Big Ed James from Anaconda the latter truly earning his nickname. There may have actually been a seventh person but my memory is fuzzy after almost 40 years. We were all squashed like sardines into some kind of medium sized sedan but, as usual, being with Russ made it great fun. He was a truly nice man and the world will miss him.

“ I was so sorry to hear of the lose of your dad. He was a great man. He was a good friend of my mother & dad, Fred and Katherine Myers. They worked together for many years at Anaconda and had a lot of good times, expecially since your dad was an Anderson Indians fan and my dad was a Muncie Bearcat fan. Remember the good times, that is what I have done since both my parents have been gone for several years. My prayers are with all of you. Ginger Myers Carpenter.

“ He was a terrific guy and dear to my heart. Lots of warm memories. I truly appreciated his gentle demeanor and wonderful outlook. There's a saying that life is like a sandcastle, here and beautiful then gone, but the beauty and memory remain. I chose to think this.
