*I love you Mom and will miss you greatly. Give Daddy and Dusty hugs and kisses from me. Not a day will go by that I won't think of you three. To all reading this, The Arnold family are some of the best people I have ever had in my life and I am so fortunate to call them family. Ruth, my mother-in law, never viewed me as the typical, not good enough daughter-in-law and always gave her love to me and welcomed me with open arms and a kiss. She and I had a wonderful relationship that I will always cherish. I loved her dearly. She always made me feel worthy of being Dusty's wife. I know she and Dusty are happy to see one another again. I thank God for having had her. While it is a sad time, I take solace in that she is with now with her loving husband Bud who she missed so greatly. She will be missed by us all. This "pink" candle is for you and will shine brightly so we may never forget.*
