“ I am so very sorry about your loss of your wife and mother. Bill you were kind enough to be at my mothers funeral as you were dealing with the pain of your wife's illness. You sir have certainly earned jewels in your crown. Peggy, you probably won't remember me as it was so long ago you introduced me to Job's Daughters and the fun of cruising before and after our meetings. I am sorry about the loss of your mother as I just lost mine after a long seige with cancer and I perhaps know how you feel. Thank you both for your friendship and I will be praying for peace and strength for your entire family.
