“ I would like to express my deepest sympathies to our family during this difficult time. Mamaw will be sadly missed by all. She touched each and every one of our hearts in her own special way. She was a wonderful caring lady. I felt she and I had a special bond, we shared many of the same interests. I had the privilege of giving her the first great grand child and she sure was proud. She kept teasing me and telling me that if she didn't get any great grand kids soon then her and Papaw were going to have to have some more of their own.. She sure enjoyed children and I am very glad that my children had the pleasure of knowing her and loving her. May she rest in peace. I love you mamaw! Kelley, Randy and Madisen and Tyler O'Dell
