“ I've been Ruthless since my grandma passed. She had to be the hardest woman I've ever known. But she was a real sweetie too. Had her own way of looking at things. Wish I could sit & talk with her about the events of the day. And hear her take on the state of things.

And I'd bug her about what she was makin for dinner cuz I now just what she'd say

" Cabbage fried in snot, & two pickled assholes tied in a knot"😂😂

Lovee Lovee Grandma thanks for all you showed us

“ I'm so sorry for your loss. Ruth was such a great person and will be remembered by many people. I will always remember some of the funny stories she shared about her mail route. When her and Ralph would get together and compare stories it was always good for many laughs. I did not realize she was in a nursing home, I'm sorry. Your family will be in my prayers. Take Care, Pam Wilcox Frazier
