“ Dear Karen and Mike, So sorry to hear about Ruthann. Our families go way back. She babysat for my sister and me when we all lived on George Street. We loved her gentle, happy manner. Murph and Dad worked together and Frances supervised my student teaching. Later we taught at Washington School and after that Ruthann and I were colleagues. Some of us played bridge and at your house Ruthann served this delicious dish with curry powder! More recently, paths crossed with G. Ross at A.H.S. Many fond memories! Please know we are thinking of you and keeping you in our prayers now and in the days ahead. Love and blessings, Ross and Margie(Sherman) Buckman
