“ Where do I start about Sally. I have known her for two years and enjoyed her so much. She always tried to take care of my Mom Stella Foster at Manorcare, up to the time of her death in February of 2005. Jimmy plays every month at the nursing home and we had such good times with her. She loved my family and my family felt the same. Jimmy wrote a song several years ago called "Bubba's Body Shop and Sally's Physic Hot Line". It was Sally's song and will be from now on. She always asked for it. He will always dedicate the song to her memory.
