“ You were loved by soooo many! Always " the one of a kind type girl" ! Kept my spirits up on some of my roughest days with your uncanny ability to know just when I needed your brutal honesty, dry wit, and dark humor! And if all else failed we'd laugh at others expense! Lol!:) I think you were destined for greatness and maybe you'll get that and a life much less harsh and unforgiving wherever you are now! Be free luv!
