“ The memories of my Aunt Bo are so precious it is hard to write in words... However, when I remember her I think of moments when she was working in her kitchen making great meals and talking to all of us at the breakfast bar. I especially remember as growing up how she became a role model for me in regards to family, marriage and love. My Aunt Bo once said to me, "Cindy, you alone as mother and wife can make or break your family, it is your love that determines its bond". I am going to miss her so much. My prayers are for her peace in heaven and for my Uncle Harold who I have admired equally as much}. In addition, I want my cousins, Karl and DiDi, to know I am thinking of them and pray for their comfort. I love you all, and I am so sorry I could not physically be by your side during this moment of comfort. CindyPhilbertDanielson and her husband Karl

“ I was in class 22, Mrs. Moore retired the year I graduated, 1990. I have been a nurse for nearly 15 years now, and have not forgotten the things Mrs. Moore has instilled into me. They dont make \em like Mrs. Moore any more. I am very sad to hear about her passing. I do know this, there is an angel who has many jewels in her crown tonight.

“ *When I think of my Aunt Bo, I think of laughter and smiles. She was always such a bright ray of sunlight to me. Our incredible loss is God's amazing gain. I will miss her terribly, but I know that she is in a better place and within every sunbeam she is shining down upon us. Rest in peace, Aunt Bo. I love you. Kathy*
