“ I'm so sorry for the loss of Sandra R. Blevins please accept my condolences and know that the loss of death is never easy. The now void of a sure hug or even a kiss now all of sudden not there can be so painful but not hopeless, please be assured as His word says, "so my word that goes forth from my mouth will prove to be..."

“ Family will miss her, with her upbeat attitude, sense humor in all she endured in her illness. She received her wings before she reached home with her maker. She was strong, amazing, and always with a smile on her face. Affirmative in her belief in her passing and in doing things "her way" with no "tears" to be shed, but to move on to her next phase, and her family and friends to move forward. Love to my baby sister always, and prayers to those she left behind. Love you baby sister! dk
