“ I miss you so much! We all do. Jordan hurts inside but he tries to be strong. The little ones they keep asking when your coming back it hurts. I read a card the other day from you you said you were proud of me and I was the daughter you never had. You taught me so much. Remember when you taught me to drive that's was some fun times. Well maybe for me haha I know you and Joan are up there in such a beautiful place more than any if us could ever imagine taking care of them babies. Give my lil girl a kiss for me. I love you all!!
