You wpuld give the shirt off of your back just so they wouldn't have to go without! I can't accept this isn't a dream and you are actually gone. i wish I could pick up the phone and call you! I hope I am at least half of the woman and mother you was! I love you mommy! Love always your baby girl Betty! Gosh I miss you so dang much!

“ I have a hard time putting into words how I feel. I have might not been around a lot over the past few years. But you always cross my mind every day. Mistie always kept me up on how you were doing. It hurts and saddens me deeply that you are gone. You have always been there for me when I needed you. When I had no place to go you were there to pick me up and tell me to never stop trying. Even when I was a little girl. Family always came first with you. You never turned any one away who needed anything. If it was some where to stay, food or clothes. You are a remarkable wonderful woman with heart of gold. Shine your pretty smile and check on us now and then.

You will always and forever be missed.

I love and miss you Aunt Sandy @-, '---

“ You invited me into your home to sit and talk with you and to spend the night when I wanted to stay in anderson close to harley. I remember one time harley took off upset from Chris' about something and I was worried about him and you helped keep me busy and calm. I remember holiday dinners with amazing food and a packed house full of family and seeing how happy that made you. You'll always be remembered and missed. ?
