“ *Sandra handled the past 4 months with so much grace. She decided to live and completed many items off of her "I want to do.." list with Angie's help. No matter what arose in her battle, she always had that beautiful smile on her face! She will be dearly missed.*

“ *Sandy was part of our family for ever 30 years and we all loved her. As much as we will miss her in this life, I'm so glad she'll be with my dad again. I'll never forget her laugh, how she was always so sweet and happy and eager to talk. Always asking about each of my kids. Rest in peace Sandy, I will miss you.*
