“ Although I did not know Sandra Stapleton, I do wish to extend deepest sympathy and condolences to her family. Sandra was a student with me at St. Mary School in Anderson and was one year behind my class. Were I able to turn the clock back to our grade school days, I'm certain I would remember Sandra. Many of Sandra's former St. Mary's classmates remember her, and that is how I learned of her passing. God Bless and Keep Sandra. B.J. Abolt

“ Dwayne, During this time i share your loss .My condolences to you and your family.God Bless you all.During the short time of being blessed to care for Suzy she touched my heart and taught me alot about love and the greatest gift God gives us is our children and our love ones.My fondest memories of Suzy is the week she ate everything that i could fix her to eat.Food she had not been able to eat in a very long time.And her smile and the laughs we shared. Now when a brush of wind comes over me it will be her as a ANGLE standing above in the clouds watching over me.

“ I will always remember Aunt Suzie for her laugh and smile and how she could brighten the room when she came in.. When Mom and Diane and I came back from Okinawa, and I hadn't seen her in awhile.. When she pulled up to Grandma and Grandpa's I went running out to her and she had a present for me.. It was Barbie's and blow up furniture.. I played for hours with them.. I remember Mom taking me to her shop to get my hair cut because I had gotten gum in it.. And she made it look great despite the mess I made.. I also loved spending the night with her also.. She always had something fun to do, whether it was riding horses or playing with the dogs or if it was just to pester Dave, Dan or Don.. Aunt Suzie was dearly loved and will be greatly missed.. My love goes out to all of the family.. Love Always, Kerry Justice Sparks
