“ *Babi and Peter,*

*So sorry I was unable to attend Sue's funeral today but didn't know the date and time soon enough to make it. My deepest and sincere sympathy is with you both. This illness of hers was so sudden and her death came so quick....I still can't believe she is gone. By the time I went to see her she had already lapsed into unconsciousness. I'm grateful though that it was fast and she didn't have to suffer for very long.*

*Your Mother/Grandmother was one of my favorite cousins. We had such fun together growing up.....she was a big influence in my life. I regret that we didn't remain close as time went on, and that I didn't get to know you two.....time seems to get away from us.*

*Jeanne and I were talking this morning about finding a time to get together with you. Bambi, I would love to meet Charlotte and Ben. I met your husband Matt at Sue and Dan's 50th Anniversary. And Peter....always a smile on your face, I would love to get to know you. If either of you come through southern Indiana on I65, I'm a short distance off the expressway. Come see me!!*

*Sincerely,*

*Alice Anne. (Sue's first cousin on Holdaway side)*

“ *My memories of Sue are mostly of her pleasant disposition. She seemed very much at peace with life. She always had a smile and kind words. Sue loved her family and enjoyed spending time with extended family. We loved that time with her and Dan, too!*
