“ *Sally was like a 2nd mother to me; in fact, she drank her coffee every morning from a mug I gave her with "MOM" on it. I loved Sally. I miss Sally immensely and I pray to see her again soon. I continue to do her charitable work for animals, a legacy she left for me, and pray she is remembered by all in Madison county for the wonderful person she was. Sally, I love you and miss you with all my heart! Your daughter by another mother,
Brenda*
