“ Sarah was a great co-worker and friend. She was always willing to take time to help you with an issue or problem and her loss will be felt for a long time at Fishers Shared Services Center. I always felt a special bond with Sarah since we shared a birthday of Sep 17th. She was so proud of her son James and you had no doubt that he came first in her life. I pray that her family draws strength from knowing all of us here at the office will remember her smile, her laugh, and her dedication and work ethic. May God bless you with wonderful memories of Sarah and His promise of love.
