“ *Kathy and Kent, My mother was Ruth Ann Rosborough Shockey. It has been many years seen we have seen each other. But I remember your family. We had family visits in Anderson and Kokomo. I am very sorry to hear about your mom. I know my mom always enjoyed hearing from your mom. Sorry this is so late but I just heard about your mother's passing.*

“ *Sarann and Milt became good friends and neighbors for us when we moved to Harold Street in 1975. Over the years we shared together, we grew to respect them greatly and rely on their wisdom and wit no matter how dire the most recent natural disaster might be - and there were many. From floods to blizzards to droughts, we endured them all together and helped each other however we could. In 1977, we waded the flooded street together and laughed at the kids in row boats and kayaks. In 1978, Milt joined me in digging my driveway out of a 7 foot snow drift. Soon half the neighborhood was there shoveling and sipping Jack Daniels. In 1979, we walked our scorched lawns together and teased each other about rain-dancing. Sarann was the kindest and gentlest person we've ever had the pleasure to know, with her keen sense of humor and her imposing intellect, she was a force to be reckoned with. We will miss her greatly and treasure our memories of her and Milt always.*
