“ *To Selma's Family: I was Selma's neighbor living between Selma and Elmer Anderson from June 1994 to August 1996. I really enjoyed Selma. She surely made me feel welcome in the Sleepy Hollow neighborhood. Elmer has been good to keep me posted on how Selma was doing and I appreciated that. She surely will be missed by Elmer, Mabel, Mrs. Jarrett, Susie and Ron Holsinger and all of the caring neighbors. God bless you all in this time of grief.*

“ *Selma was such a delightful and spunky little lady. My mother, Florence Baker, and I were saddened to learn of her passing. As we drove to her memorial service my mother shared her memories of Selma--what good times they had together long ago, how funny Selma was, how willing she was to help my father learn to administer his shots for diabetes, and on and on. Our sympathies and prayers go to each of you. Bonnie*
