“ My condolences to John and the rest of Sue's family. I meet John a few times when he came in to Kohl's. I started working with Sue at Kohl's in 1995. She trained me at the Service Desk. She was very easy going and I loved her dearly. I have thought about her a lot, my mother died of Breast Cancer in 1992, she will always be in my thoughts.

“ Kelley please know my thoughts and prayers are with you and your family. Your mother was so blessed to have you to be able to care for and love her during the last days of her journey here on earth. She has now entered the next journey of her life with Heavenly Father holding her hand, I hope you take some comfort in that thought. I love you you!

“ Kelley and family, I am so sorry to hear of your loss. I think that Sue helped raise me during my high school years as much as my family did! I would run into her from time to time in town and we would talk for a while and catch up. She was such an awesome person! I know she fought a long and hard battle against her cancer. I hope that you can find comfort in the fact that she is at peace and painfree in the arms of our loving Savior. Please know you are in my thoughts and prayers. Love, Barb
