“ *Sending my deepest sympathy to the family. Just speaking from experience about how hard it is when you a lose a mother. It's going to be tough, you will have both good and bad days. But you will all have each other to help you through this sad time. One thing is for sure, she's in a much better place and not suffering. Love and prayers, Amy Ritter*

“ Jody and Shelley,

I am deeply saddened by your loss. Auntie Sharon takes with her the heritage of our family. She was the vault of the lineage of our ancestors. I am comforted knowing she will be beside Grandma Rozeann and Uncle Armand. My dad talks about how he grew up beside Aunt Sharon and how she would always look after him. He even tells me of her humorous side and how she would tell him scary stories in their childhood years making him scared to have the lights off our go to certain ares of the house. This made me laugh. I will never forget Christmas Eve's at your home. I looked forward to them every year. Auntie Sharon would make the best dinner of homemade sausages, meatballs and the yummiest rigatoni I have ever had. She would always have a dish of olives out and I remember I would run around the house with olives on all ten fingers and then gobble them up. After dinner we would sit around the tree and talk story. I remember the anticipation of opening presents. Afterward, I have faint memories of the Ten Commandments playing on the television in the background. This must of really stuck with me because I named my son Moses. I will never forget these memories and they will forever stay close to my heart. I am sending prayers of comfort to you both and your families. I know Aunt Sharon's spirit is close by and knows how much you girls cherished her. I always remember how proud she was of you girls. Wishing you all peace in this time and that you find comfort in each other surrounded by your loved ones.

“ I'm so sad about Sharon's passing. She was always so kind to me. There are a lot of nice things I can say, but what I'm hanging on to now is her sense of humor! The time in high school when she made a huge production of her fabulous spaghetti dinner - using a table full of silverware I had never seen before or used! She had a good laugh - and it is a treasured memory for me. Having Sharon and Shelley join us for Thanksgiving last year was just right - family not by blood but by choice! I will miss her, but am comforted that she is at peace and had the lifelong love of her daughters who she cherished.

“ This past summer I had the opportunity to hang out with Sharon because I was not working. But...when I was offered a job to start right away, I wanted to delay it because then I would miss hanging out with her! 🥰 We had lots of fun, shared stories and she gave me some great advice for my job. Shelley, Jody and family, your mom was a great lady, and will be missed! 💔

“ Shelly and Jody I am so sorry to hear of your Moms passing but I will always remember the good times when we came down played cards, made peanut butter pie and we would also have Auntie Sharon's Spaghetti dinner with homemade sauce and meatballs before we left. My thoughts and prayers are with you both. Love Marcia Nescola

“ *Dear Jody and family,*

Just wanted you to know your co-worker friends are praying for your family. I didn't have the pleasure or opportunity to meet your mom, however if she's anything like you, she must have been an awesome woman. We're here if you need us. God bless!!

“ My most recent memory was Sharon joining Shelley, Jody the kids and I at a fun Mexican dinner. Not sure Sharon was enjoying the good margaritas, but I certainly did! My daughter Elizabeth kept hanging on Roman, he’s so cute; we all had a lot of laughs!

I’m Jody’s friend in DC. I had the pleasure of getting to know her mother over the 25 years of friendship with Jody. Sharon was a warm, loving woman who loved her daughters and grandkids. She sent me a Christmas card every year which I appreciated. Sharon loved watching Tess and Roman perform in various plays and concerts. I will miss her.

I lived in Sharon's neighborhood for 20 yrs. with my husband and got to know her from her garage sales. That friendship went on from there. We had phone conversations very frequently, and we solved many, problems of the world together that no one will know but us. She was always there with a kind word and suggestion to help. I will really miss her. But was proud to have her in my life. Your friend & previous neighbor.

Sharon Nescola was my favorite Aunt. Jody, Shelley & I were always very close. More like Sisters than Cousins, my Grandmother Rozan was Sharon’s older sister. I have lots of Fond Memories at our Family Dinners & Get Togethers!! Aunt Sharon was a trusted confidant as I got older too.

She was one of the most Self-less Women that I have ever known in my Life. I will miss her terribly...

♥ Love you Always,

Sharon and I worked together years ago when I was only 20 yrs old. I only worked with her for about 2 yrs. but we kept in touch since that time. She and I had such fun working together, I loved her humor and after I went on to other jobs we still kept in touch over probably 50 years. When we talked it was like no time had passed. I will always cherish her friendship and that of your Dad. She spoke of both of you often and loved her girls so much as well as Roman and Tess. Sharon had so many good friends and that will keep her family proud and I know the two of you will continue on her heritage, she loved yo all so!
Sincerely, Sandy Armstrong
