“ *Stephanie:*
Your mother was a student of mine in American History as. Junior and then in Government as Senior at Lincoln when I began teaching in 1963. I was also, and still am, the Class of '65 class sponsor. Your mother was such a nice girl and a great student. Always enjoyed seeing her over the years at her class reunions
You and your family are in my thoughts and prayers.

“ My condolences and love to Sharon’s family. Sharon was a dear friend from the time we were in nursing school together, were roommates after nursing school, and then participated in each other’s weddings. We were separated by many miles as the years went on, but kept in touch. If anyone deserves her spot in heaven, it’s Sharon. She will always be in my fondest memories and my prayers.

“ She was one of the best friends I had in high school. We went on a road trip to find the house of someone she liked . We never found it. At our 20th high school reunion, we cracked each other up about our social environment. What a gal.
