“ Shaun was a great friend to my younger brother, Scott Shafer. I have fond memories of the two of them when they were little, spying on me and my friends when I was a teenager and then "snitching" to my parents to get me in trouble. I am so sorry for Shaun's family and friends, as this is a heartbreaking situation. I know this is hard and please try to have some peace and know Shaun is now in a much better place.
