“ I am deeply sorry to hear about Sherry. I worked with her at Rax for many years and during that time we were very good friends. She was a wonderful mother, wife, coworker and friend. My thoughts and prayers are with Jeff, Josh and Justin, and the entire family. She touched many lives and will be missed dearly by all who had the blessing of knowing her in the short time she was here.

“ I played volleyball with Sherrie at Highland. Bus rides were always a ton of fun with her. I believe she is the one that brought Bob Seger to listen to on the ride. I am so sorry to hear of her passing. She was a wonderful person.

“ I am deeply saddened to see that Sherrie lost her battle with cancer. Sherrie was a huge part of my teenage years I lived 2 houses down on 380 - I looked up to her very much. She taught me many things about life just by being who she was. Many happy summers were spent with her..playing double solitaire, watching General Hospital and chasing after Scott and Jeremy. Those were really great times. I think of her often, every time I hear a Bob Seger song, fix tuna fish as she used to for her little brothers' lunch, or see a Luke and Laura reference...I am so sorry to the family for your loss...godspeed my friend, til we meet again. Love, Laurie
