“ Thank you, Sheryl, for being my friend at Noblesville High School. You were always sweet to me and brought candy for my employee candy drawer and wouldn't accept a dime. You also made me cute crafts to set up in my desk space. Rest In Peace, sweet friend. Prayers for peace to your family.

Sheryl, you and Bill we're so kind and caring to all of us at storage. You made wonderful meals and brought them into us. You also invited us to your home for dinner at Christmas time. Your decorations were gorgeous. We truly enjoyed our times together. You will be missed, but heaven is blessed with your presence. God bless Bill and your family. RIP Rex & Nancy Greer

Sheryl, you and Bill we're so kind and caring to all of us at storage. You would make wonderful dinners and bring them into us. You also invited all of us to dinner at Christmas time. The dinner was so good, but seeing all of the decorations was great. You & Bill we're so hospitable. You will be missed here on earth, but heaven is now blessed with your presence. Bill and your family are in our thoughts and prayers. RIP Sheryl!
