“ We are going to miss our Aunt Shirley so much. She was always so much fun to be around. Even when she wasn't feeling good, she would always joke and laugh. We were so blessed to have her in our lives. We love you Aunt Shirley! Jessica, Jeff, Sami, Cameron, and Ava

“ I delivered Shirley's RX's from Kroger & was stunned to hear of her passing. I have family in Fairmount also. She was so proud of Gary & Tim & her grandson in Japan. She use to say they all spoiled her so much. She loved going to see family in Fairmount and how well they cared for her & was looking forward to seeing them again this spring. I loved Shirley very much and enjoyed the time I spent with her. She was always so funny & fiesty. She wouldn't take any you know what from anybody. And she loved her Jeff Gordon. My heart is hurting at the loss of a woman I consider a friend but I am happy for where she is now. May God hold all of you in his loving arms & give you the peace & comfort that passes all understanding.
