“ To All It was sad for me to read of the passing of your wife and mother...I often think of that chapter in my life that I had the privilege of being close to your family. Terry and Debbie, I will not forget the times that we spent together growing up and I have some great memories of those times. Your mother was always kind and sure was a good sport to put up with me when I came to visit. My thoughts and prayers are about you today, for I know that it is a trying time to experience. Please accept my sympathy. It sure would be great to here from you all. Love Charlie Brann
