“ Some of my favorite memories with grandma are playing UNO and her giving me hershey kisses every time I rode the bus with her to go shopping. Also so many great memories spending Thanksgiving at their house as a little kid.

Family vacations as a child, our vacations were awesome! Camping, having fresh caught rainbow trout and fried potatoes, just Mom and Dad and Holly and I, every summer and we looked forward to just being us in the beautiful mountains away from the hustle of living of crowded life of Southern California or the beautiful ride up the coast to visit our relatives in Northern Ca., Oregon and Washington! Our parents made vacations Wonderful

“ I loved walking with her as a girl. Mostly to hair appointments. I also loved playing Scrabble and Uno. Loved her sassy defiant side, her pies, and her laugh. I'm happy she's with grandpa now. I'm so grateful for the time we had together. Godspeed grandma! Georgia
