“ *Sim was one of my best friends in high school. We have kept in touch all of these years. Sim always made the effort to be a friend. He was always there whenever you needed encouragement, support, or just to say hi. My heart goes out to his wonderful family. May they find strength in the love every had for Sim. The world is a little darker without his presence.* ”

“ I didn't know my cousin Sim as well as I would have liked as my dad was in the military until I was 17 years old and we lived away. However, I do have great memories of Sim and really enjoyed reconnecting with him on Facebook over the years. I especially enjoyed seeing his posts of fun family vacations at the beach and his love and excitement in coaching girls HS basketball! I will always remember Sim for his vivacious personality, big smile, and the mischievous gleam in his eye. I know he has a special place in heaven. I hope the prayers and love of family and friends will comfort all of the family during this very difficult time. (Michelle Green)

“ Amy and family, I am so sorry for your loss. I never had the opportunity to meet Sim but through you and your post along with many others I could see what a wonderful husband, father, friend and blessed human being Sim was. Take those memories and cherish all the amazing time you two shared, it will give you a little peace at this very hard time. Knowing he is with his family in heaven is a beautiful feeling. Sim will forever be with you. Thinking of you with a heavy heart right now. Much love to you Amy.

“ We were apart of the Shadyside family. You would always see Sim,Lou and the rest of the Lacy family there. That continued at Wood field. Sim was a great athlete but was a better person. Always putting others before himself. Although we hadn't spoken in years as I moved from Anderson I can still see that contagious grin! The world lost a good man. Rest easy my friend.

Well said Rusty! My earliest memories of Sim were at the SS LL field. He was a fierce competitor on the field but his good nature & sense of humor were infectious & yes, that grin will be with me forever. We did lose a very good one! Hope you're doing well & it's a blast from the past to see your name! Take care, Todd Fuller

In high school and in college, Sim was around our group of friends every weekend and after school. He was always kind and always helpful to everyone. He was loyal and always very funny. He was a joyful person with a huge heart. I am glad to know that Sim was still had the big heart for everyone.

“ Growing up, I can remember my Stepdad taking me to both days of racing dri power 400 weekend at Winchester Speedway. My stepfather didn't like to campout. I would be envious of people that got to camp out that weekend. One year Sim, Lou and Jim took me in their van to the Dri power 400 weekend. I can recall sitting around the Campfire listening to Live Bullitt and it was a great weekend. Thank you Sim for a memory I will never forget.
