“ I have so many memories of Jeanie. I loved her walk and faithfulness to God. Jeanie knew how to make someone feel good and took care of those around her. She knew how to have fun I remember having lunch with her and we were sharing memories and laughed so hard we actually had other people in the restraurant laughing that didnt even know us. I love you Jeanie And will miss you. Praying for the family love you all. Dorenda (Reny) Huffman

“ What can you say about Jean? She was one of the most caring and hard working persons my life has crossed. She took care of my son from birth to 10 years old. She taught him many useful things like while sitting in the shopping cart to shout out "Child abuse" as I pushed him through the store! She had this sense of humor that couldn't easily be mimiced. She was always full of mischief. I will remember her for that and the importance her family was to her. Jeff and Ben were her reason for being.

Many will miss you Jean; just know rhat I am included in those numbers. Rest in Peace Jean McClain.
